

Art Davis, FCSI

» Foodservice Consultant

EXPERIENCE AND BACKGROUND

Mr. Davis provides complete foodservice design and consulting services both independently for clients and in collaboration with our mechanical teams. He has 16 years of kitchen design experience and has worked at Capital since 2007.

Art offers extensive experience with custom stainless steel fabrication, including knowledge of metal gauges and fabrication options. Art remains vigilant regarding changes in the health code by working directly with local Health Department plan checkers for a thorough plan review. Art holds experience in a broad spectrum of project types, including schools, ski lodges, places of worship, correctional facilities, hospitals, and restaurants. His acumen insures projects will be completed on time and on budget.

EDUCATION

American River College,
1983, Sacramento

California State University,
Sacramento
